

1 year service

1 year service

9 year service

2001 - Epoxy E-303, MIL-P-24441 F150 & F151, Devcon.

Most of the Devcon is gone in 9 years due to poor intercoat adhesion to the epoxy.

2000 - Epoxy E-303, MIL-P-24441  
F150 & F151, Devcon Coat after 8 years  
service.

2001 - Vinyl VZ-108, V-106 after 24 years  
service.

White area is river scum. There is a minor  
amount of rust on the edge of each rib. All  
other areas are protected.
